EX. No: 1	Checklist for reporting Cyber Crime at Cybercrime Police Station.
Date:	

Aim:

To create a comprehensive checklist that can be used to ensure all necessary steps are taken when dealing with different cybercrime scenarios, including reporting cybercrime at a police station, reporting online, using social media platforms securely, and ensuring secure net banking.

Procedure:

Reporting Cybercrime at a Cybercrime Police Station Checklist:

1.Gather Evidence: Print screenshots of any malicious messages or emails. Save copies of any relevant files or documents. Record details of the incident (dates, times, and descriptions).

2.Identify the Relevant Cybercrime Police Station: Find the nearest cybercrime police station. Note down the contact details and address.

3.Prepare Personal Identification Documents: Carry a government-issued ID (passport, driver's license, etc.). Have any other relevant identification ready (proof of address, etc.).

4.Draft a Written Complaint: Include all relevant details about the incident. Clearly mention any financial losses or personal damages.

5.Visit the Cybercrime Police Station: Submit the written complaint. Provide all collected evidence. Request a copy of the complaint for your records.

6.Follow Up: Get the contact details of the officer handling your case. Regularly check on the status of your complaint.

Execution 1:

1.Gather Evidence: Collected and preserved screenshots of unsolicited OTP messages received on my mobile number from multiple organizations without initiating any login or transaction requests.

Example 1: Unsolicited OTP Messages

a) Screenshot of unsolicited OTP messages

Record details of the incident:

Date of the Attack: 01.11.2025

Time: Between 12:49 PM and 1:17 PM

Description: Repeated OTP messages were received from various companies such as Croma, Goibibo, RummyCircle, BYJU'S, Zepto, and Netmeds. These OTPs were generated without my consent, indicating possible misuse of my mobile number, automated OTP flooding, or attempted unauthorized account access.

2.Identify the Relevant Cybercrime Police Station:

Nodal Cyber cell

Tmt.M.Kingshlin

Superintendent of Police

sp2cwc[at]gmail[dot]com

Sh. D. Ashok Kumar

SP(for OTHER CYBER

CRIMES) 044-29580300

sp1[hyphen]ccdtnpolice[at]gov[dot]in

3.Prepare Personal Identification Documents:

Passport Copy

Aadhar - Address Proof

4.Draft a Written Complaint:

From:
XXXXX
124, JS Nagar
Coimbatore – 641000

To:
Tmt. M. Kingshlin
Superintendent of Police – Cyber Crime
Chennai

Respected Sir,

Sub: Report of Receiving Unsolicited OTP Messages – Reg.

I hereby submit this complaint to inform you that I have received multiple unsolicited One-Time Password (OTP) messages on my mobile phone from various companies through SMS, without initiating any login, registration, or transaction requests.

Details of the incident are as follows:

- **Date and Time of Receipt:** 01.11.2025, between 12:49 PM and 1:17 PM
- **Mode of Communication:** SMS
- **Sender Details:**
  AX-ECROMA, AD-ECROMA, JD-ECROMA, AD-GOIBIB, AX-RMYCRL, TM-BYJUSC, JM-ZEPTON, JD-ZEPTON, AX-NETMED
- **Nature of the Messages:** Unauthorized OTP generation / Possible phishing or OTP flooding
- **Brief Description:**
  Multiple OTP messages were received continuously from different platforms without my authorization. This raises concern about possible misuse of my mobile number, automated attacks, or attempts at unauthorized account access.

As a preventive measure, screenshots of the messages have been preserved and submitted as evidence. I kindly request your office to investigate this matter and take necessary action to prevent further misuse of my personal information.

Thanking you.

Yours sincerely,

5.Visit the Cybercrime Police Station:.

Submitted the hardcopy to Authority:

97********** Status of the Compliant: Under Review

Execution 2:

1.Gather Evidence: Collected screenshots of a fake online shopping advertisement circulating on social media platforms, displaying unrealistic discounts on branded smartphones.

Example 2: Fake Online Shopping / Scam Advertisement

a) Screenshot of fake advertisement

<u>Record details of the incident</u>:

Date of the Attack: 05.10.2025

Time: Around 4:20 PM

Platform: Social Media (Facebook)

Description: The image shows advertisements offering premium smartphones (Realme 12x 5G and Samsung Galaxy A55 5G) at extremely low prices (₹599 and ₹850). Such prices are unrealistic and misleading, indicating a fake offer or scam intended to deceive users into making fraudulent payments or sharing personal information

2. Identify the Relevant Cybercrime Police Station:

Nodal Cyber cell

Tmt.M.Kingshlin

Superintendent of

Police

Coimbatore – 641000

To:
Tmt. M. Kingshlin
Superintendent of Police – Cyber Crime
Chennai

Respected Sir,

Sub: Report of Fake Online Shopping Advertisement and Fraudulent Offers – Reg.

I hereby submit this complaint to inform you that a fake online shopping advertisement was observed on a social media platform. The advertisement falsely displayed branded smartphones at extremely low prices, which is misleading and indicative of an online fraud or scam.

Details of the incident are as follows:

- **Date and Time:** 05.10.2025 at approximately 4:20 PM
- **Mode of Communication:** Social Media Advertisement
- **Platform:** Facebook
- **Nature of the Content:** Fake shopping offer / Online scam
- **Brief Description:**
  The advertisement promoted Realme 12x 5G and Samsung Galaxy A55 5G smartphones at unrealistic prices such as ₹599 and ₹850 using well-known sale branding like “Big Billion Days.” Such offers are clearly fraudulent and are intended to lure users into making payments or sharing sensitive personal and financial details.

As a precautionary measure, screenshots of the advertisement have been preserved and submitted as evidence. I request the concerned authority to investigate this issue and take appropriate action to prevent public deception and financial loss.

Thanking you.

Yours sincerely,
Signature
